McKesson Logistics Solutions Welcomes Leigh Lightfoot as Vice President of Human Resources

Toronto, ON, April 22, 2008 – Cameron Joyce, President of McKesson Logistics Solutions is pleased to announce the appointment of Leigh Lightfoot to the newly-created position of Vice President of Human Resources.

Leigh brings to McKesson Logistics over 20 years of human resources, customer relationship and operations experience in the logistics and supply chain industry. She held various senior-level positions including most recently, as Vice President of Human Resources for National Logistics Services and Logisti-Solve Inc. Prior to that she was with Canada Post Corporation where she was a winner of Canada Post's Silver Postmark award for Leadership. Leigh has a BA from Mount Allison University and a certificate from the Advanced Program Human Resources Management from the Rotman School of Business. She also holds the designation of CHRP (Certified Human Resources Professional) and is a member of the Human Resources Professional Association of Ontario.

Leigh will oversee various strategic initiatives for McKesson Logistics Solutions including resource and succession planning, corporate training, recruitment and employee communications.

"I am excited to be part of a growing company," Lightfoot said. "McKesson Logistics has good people, with competitive service offerings. The company continues to strengthen its infrastructure to support its clients' needs."

###

About McKesson Logistics Solutions

McKesson Logistics Solutions is Canada's leading third party logistics provider offering integrated supply chain services from order management and transportation to customer invoicing and A/R management. Additional services include the distribution of specialty products such as cold chain logistics, clinical trials and literature management. McKesson Logistics Solutions is focused exclusively on providing logistics services to the healthcare manufacturing industry. Clients include manufacturers of pharmaceutical products, medical devices, medical surgical products and equipment, OTC, natural health and consumer health products.

About McKesson Canada
